## **The Workout**

I was dancing with a dirty blond Texan Charming accent but the music's playing too loud for talking So I showed him how people in the Far East get down

Push it up, push it down Pull it up, pull it down Keep it up, keep it down Now put me down ...what a workout!

If you want, you can come Come get it, get it If you don't you may really regret it, 'gret it Up and down till your knees start shakin' shakin' Ain't it good to be alive tonight

One life, two-time, 3 girls, 4 guys Five ripples running up and down my spine 6.0 Make it sweet, drop another dime

I was talking with a born-again Christian "So what's it like to start life all over?" He said "Amen, I feel like I've been rediscovering the tomb Tutankhamen."

Push it up, push it down Pull it up, pull it down Keep it up, keep it down Baby don't put me down ...what a workout!

What you want, it's a done deal Shake it, shake it What you don't, you can forget about it, 'bout it Up and down, feel your brainwaves jumpin' jumpin' Make me wanna take a dive As we count to five

One life, two-time, 3 girls, 4 guys Five ripples running up and down my spine Can you hold on someone's calling on the other line

Push it up, push it down Pull it up, pull it down Keep it up, keep it down Now put me down ...what a workout!

If you want, you can come Come get it, get it If you don't you may really regret it, 'gret it Up and down till your knees start shakin' shakin' Ain't it good to be alive tonight

One life, two-time, 3 girls, 4 guys Five ripples running up and down my spine  $\overline{O}_{0}^{isternal ke}$  it sweet, drop another dime
