

## Alone

Utopia

Let me ask you a question  
Will you lend me your ear?  
Do you know the meaning of emptiness?  
If not I'll make it clear

Alone, alone  
Nobody knows how lonely it can be  
And I'm so tired of being alone

Let me tell you a story  
One you've probably heard  
One about the man who was lost  
And I can tell you in one word

Alone, alone  
Nobody knows how lonely it can be  
And he was tired of being alone

Alone, alone  
Nobody knows how lonely it can be  
And I'm so tired of being alone

There's an end to the fable  
Where does all of this lead?  
That for everyone who needs someone  
There is someone there to need

Alone, alone  
Someone is still alone  
Alone, alone  
Someone is still alone
