Alone

Let me ask you a question Will you lend me your ear? Do you know the meaning of emptiness? If not I'll make it clear

Alone, alone Nobody knows how lonely it can be And I'm so tired of being alone

Let me tell you a story One you've probably heard One about the man who was lost And I can tell you in one word

Alone, alone Nobody knows how lonely it can be And he was tired of being alone

Alone, alone Nobody knows how lonely it can be And I'm so tired of being alone

There's an end to the fable Where does all of this lead? That for everyone who needs someone There is someone there to need

Alone, alone Someone is still alone Alone, alone Someone is still alone Utopia
