Burn burn burn
Burn burn burn
Burn burn burn
Burn burn burn
I'm cookin' up somethin'
Cookin' up somethin'
Cookin' up somethin' special for you
It's on the back burner
On the back burner
On the back burner waiting for you
I'm no burger king, I'm no pizza pie spinner
Don't come sniffin' 'round here for something to eat
It's a gourmet thing, not a tv dinner
So stay out of the kitchen if you can't take the heat

It's gonna

Burn burn - you might get burned
Burn burn burn - 'cause it's so hot
Burn burn burn - that you might get burned
Burn burn burn

I've got a hot number

Got a hot number

Got a hot number bearing your name

It's such a big order

Such a big order

Such a big order turn up the flame

It's a champagne kiss with a surprise in the middle

I hope you're hungry, I've been cookin' all day

Got a love so strong you couldn't squish it with a griddle

Call out the volunteers 'cause my heart's a flambe'

I gotta time it right so it's warm when you get it Turn up the heat just a little bit higher
It was a good idea but I think I overdid it
I can't reach the oven and the kitchen's on fire
