See i've been waiting for o so long  
Hoping and praying that one day i'm gonna make it  
No matter what, I keep coming strong  
I got my eyes on the price and i'm gonna take it

I never realized it how fortunated we are to be here today  
I'm on a stage

I'm here!

Got my adrenaline pumpin'  
I wanna be in the lights camera action, lights camera action  
The crowd is screaming and jumping  
they wanna be in the lights camera action, lights camera action

I'll make it to the top  
and I aint gonna stop  
i'm lovin' the lights camera action, lights camera action,
