

Get Silly

V.I.C.

The dance floor silly
The ladies gon' feel me
The fellas in the back
And they twistin' up a Philly

Get silly, get silly
Get silly, get silly
Get silly, get silly
Get silly, get silly, get silly

The dance floor silly
The ladies gon' feel me
The fellas in the back
And they twistin' up a Philly

The dance floor silly
The ladies gon' feel me
The fellas in the back
And they twistin' up a Philly

My chain' too silly, my wrist too silly
The girls throw me ish cuz my rims big willy
My ride too silly, I ride too silly
We for fantastic cuz I got a deally

Cuz now I'm worth a milly
Forget a rubber band cuz you can't put a rubber band around a billion
I be wildin' on a island somewhere just like Gilligan
Drillin' holes like a dentist at the den like villerann

I ba ba ba, I'm da man girlfriend
I'm da reason why you wanna lose ya man girlfriend
I'm calm like da sea, I'm blowed like the wind
And now that I'm straight I'm bout to act a fool again

Get silly, get silly
Get silly, get silly
Get silly, get silly
Get silly, get silly, get silly

The dance floor silly
The ladies gon' feel me
The fellas in? the back
And they twistin' up a Philly

The dance floor silly
The ladies gon' feel me
The fellas in? the back
And they twistin' up a Philly

My shades too silly cuz they made by Cavalli
Jay's so excited you can't find 'em lil buddy
I'm not Nick Cannon but I'm wildin' out clubbin?
Watchin' everybody jockin' while I'm poppin' sumthin' bubbly

Poppin' sumthin' bubbly, I'm tryna do it big
Da boy from the A, I'm tryna represent

Dem haters in? my way, I play this game to win
Watch me take it to the ally, knock 'em all off like some pins

I drop drop drop, I'mma sell like silly
Cuz everybody dancin' and everybody feel me
With these stacks in? my jeans, just like my name was Billy
While I'm jockin' on you haters, just like a pop-a-wheelie

Get silly, get silly
Get silly, get silly
Get silly, get silly
Get silly, get silly, get silly

The dance floor silly
The ladies gon' feel me
The fellas in? the back
And they twistin' up a philly

The dance floor silly
The ladies gon' feel me
The fellas in? the back
And they twistin' up a philly

Get silly, get silly
Get silly, get silly
Get silly, get silly
