Blast

Melted world Chaos exonerated - dominates Fire walks around... Blast Nuclear attack - total genocide All Gates are wide opened now!

But we are here We will survive With scorched wings spread We'll fly above

Look upon the red horizon New generation comes now The Future, The seed of Fire

Soon we'll absorb You all

Lead: Peter

But we are here We will survive With scorched wings spread So look upon the horizon New generation comes now The Future, The seed of Fire

Soon we'll absorb You all

Vader
