

## Traveler

Vader

Creature, that howling in darkness  
From deepest parts of earth  
Winged monster  
Tearing apart my soul  
You know it came for me  
No prayer can save my soul and flesh  
I feel the Unholy  
The Gate Outside are opened

Now I'm gone and dead  
The one beyond redemption

The Passenger  
The ancient Traveler

No Enki, nor Marduk  
In the light of Jupiter  
No muzzle can save me  
From Alla Xul

Down to the underworld  
Amongst venomous vitriol

lead: Mauser

Hideous bulks  
Torture my soul  
Why I have become a part of this?
