

## What You Need

Vado

Welcome to the concrete jungle, slow grind, dope line, block me bundle  
Weather man, rain stacks, rip bundles  
... great black, belt sneaks, duffle  
That's an outfit, real bump a whole bricks  
Custom van drove it  
Hundred grand road trip  
Pack just lazy Rolls Royce on some go shit  
I don't spit, want the 1, take the whole clip

Bitch, I don't talk I'm who they talk about  
Never chase, they chase me,  
Soon as they see me walking out  
Every day hear you sick with it, I bring the... out  
No green you couldn't sell,... you a... out  
I go hard with the best crooks  
No cash pay for credit cards or check book  
We've been better, got bars make the rest shook  
Trainsetter, show them rock stars all the prep look  
What you lookin at? What you lookin at?  
We in the kitchen by the stove, where we cooking that  
We on a mission nigga... in your sugar at  
Money... yeah we go with that

We drunked up, we party  
Like what you need we got it,  
Like what you need we got it,  
Like what you need we got it,  
We drunked up, we party  
Like what you need we got it,  
Like what you need we got it,  
Like what you need we got it,

One track mine, got get this money right  
Young ass nigga on his grind, all my fucking life  
Niggas going broke they don't hustle right  
I get 10 thousands a show, that's every other night  
On stage, 40 minutes, catch another flight  
Shopping when I land, just to keep my luggage light  
Clown niggas talking loud, I don't fucking like  
Baby fucking me cause she say I don't fuck her right  
Look, I've been balling since my other life  
Scared money stay broke, and I was on the dice  
Learn early niggas fake, and kept my circle tight  
And put the money over bitches, rollies under ice  
Was never looking at my dreams through a fucking pipe  
Half a kilo cuban links before I touch the mike  
Gang banging looking back through he wasn't right  
He got my nigga paged, double life,

Like what you need we got it,  
Like what you need we got it,  
Like what you need we got it,  
We drunked up, we party  
Like what you need we got it,  
Like what you need we got it,  
Like what you need we got it,

Yo, honeys and popping getting flower and a money tip  
My money flip went from rubber bands to a money clip  
Get money that he don't understand what we're fucking with  
I represent from that bottom, it's evidence that is hollow  
It's like you better win cause you got them  
I never spend but I... them  
My sweater thing red bottoms  
... close range when the iron blow  
Shit, I need a whole thang on cause... throw  
It's not a game, I ain't trying to prove  
I rather... right behind the stove  
Check Nipsey, left tipsy,  
Chicks with me I just 6 and...  
Ricks filthy, hit the streets with wet...  
Not guilty, took a step and left quickly  
Money out of violence and drugs only  
Vado be that motherfucking thug, home

What you lookin at? What you lookin at?  
We in the kitchen by the stove, where we cooking that  
We on a mission nigga... in your sugar at  
Money... yeah we go with that  
We drunked up, we party  
Like what you need we got it,  
Like what you need we got it,  
Like what you need we got it,  
We drunked up, we party  
Like what you need we got it,  
Like what you need we got it,  
Like what you need we got it,
