

Refugee

Vains of Jenna

We got somethin' we both know it
We don't talk too much about it
It ain't no real big secret all the same
Somehow we get around it
Now listen it don't really matter to me baby
You believe what you want to believe

You don't have to live like a refugee
(You don't have to live like a refugee)
No, you don't have to live like a refugee
(You don't have to live like a refugee)

Somewhere, somehow somebody
Must have kicked you around some
Why you wanna lay there
And revel in your abandon
Honey, it don't make no difference to me baby
Everybody's had to fight to be free

You see you don't have to live like a refugee
(You don't have to live like a refugee)
Now you don't have to live like a refugee
(You don't have to live like a refugee)

Baby we ain't the first
I'm sure a lot of other lover's been burned
Right now this seems real to you
But it's one of those things
You gotta feel to be true

Somewhere, somehow somebody
Must have kicked you around some
Who knows, maybe you were kidnapped
Tied up, taken away and held for ransom
Honey It don't make difference to me
Baby everybody's had to fight to be free

You don't have to live like a refugee
(You don't have to live like a refugee)
No you don't have to live like a refugee
(You don't have to live like a refugee)
Said you don't have to live like a refugee
