

# Shock

Val Emmich

No more secrets here Let's make it crystal clear  
Just tell me yes or no  
That's all I want to know  
You're supposed to be my friend  
Don't lie to me  
Just turn and walk away  
I could punch your f\*\*king face  
You took it way way way too far  
You're not who I thought you are  
Tell me it's a joke  
Tell me you're kidding  
'Cause I believed in you  
But now you have a lot to prove  
You're supposed to be my friend  
Don't lie to me

Just turn and walk away  
I could punch your f\*\*king face  
You took it way way way too far  
You're not who I thought you...  
If I don't know you (If I don't know you)  
Then I don't know anyone  
If I don't know you (If I don't know you)  
Then I don't know anyone  
Shock!  
Think carefully  
Before you speak  
Think carefully  
Before you speak...  
You've got one chance to come clean  
One more chance to come clean  
You've got one chance to come clean  
One more chance and then I'm leaving
