

Blow Up the Pyramid

Valient Thorr

Ow, alright, thats what im talkin about baby
huh, get back behind me
gimme gimme gimme a little bit of that- sexy solo
jjin thorr i want you to give it to em one time, get
behind the dynamite and blow up this pyramid baby.
talkin about it don't ever get things started it just
holds us up
vote for him b/c he's got a plan
why does everyone not see, the world can only revolve
round me?
vote for him b/c he's got a plan
we're all the same, but i got a little somethin
different baby
vote for him b/c he's got a plan
your convention, someone's intention, i can see the
virgin's spillin out
drivin in my car, not gettin very far, become yr
president thats what i am about

everyone's looking and everyone's watchin, what are we
about? come to one of our shows
everyone's looking and everyone's watchin, tough
customers from venus are acheivin their goals.
eisenhower broke the rules, which led earth to its
fate, nixon flashed those peace signs high, but fell at
watergate, the fbi and the cia have failed to take a
hint, but when the true believers cast their vote, ill
be your president, give it up for him one time now,
why not me, ill set you free, tonight i wanna be your
president
who'll mystify, wholl deify, whos gonna be yr president
why not me, ill set you free, tonight i wanna be your
president
who'll mystify, wholl deify, whos gonna be yr president
why not me, ill set you free, tonight i wanna be your
president
who'll mystify, wholl deify, whos gonna be yr president
your convention, someone's intention, i can see the
virgin's spillin out
drivin in my car, not gettin very far, become yr
president thats what i am about
everyone's looking and everyone's watchin, what are we
about? come to one of our shows
everyone's looking and everyone's watchin, tough
customers from venus are losin control(here, 2
different rants run simultaneously til the end....
choose yr path.)
we're gonna blow up the pyramid
(then a lot of speaking in tongues)
