We got a future do you got a future?

tonight you are the law, tonight i am the law  
you got the future, you got some power, it is as  
primitive, as it is raw  
you got some future, oh brotha you got some power,  
don't try to stop me i am the law  
future power primitive raw  
you got the future and sweetheart you got the power,  
don't ever touch me i am the law  
give it up for lucian thorr, give it up for him one  
time.... oh

you got the future, you got some power, it is as  
primitive, as it is raw

you got some future, oh brotha you got some power,  
don't try to stop me i am the law  
future power primitive raw  
you got the future and sweetheart you got the power,  
don't ever touch me i am the law  
give it up for lucian... give it up for him  
are you ready to get down? then do it like this.  
i have never had to beg, things come my way its just  
the way i work  
time and effort will pay off, you won't get nowhere  
actin like a jerk.  
life is love and love is life, you never gonna catch it  
baby when you fall  
its such a heavy load to hold, if you wanna touch me,  
believe me when i tell you, i am the law.

you got the future, you got some power, it is as  
primitive, as it is raw  
you got some future, oh brotha you got some power,
