

Showdown

Valient Thorr

Warped speed odometers broken, other languages we have
spoken welcome universe welcome sinner, there wasn't a
dry eye in the house- showdown you couldn't believe it
universal peace you'll never achieve it delegates burning
atmosphere, showdown to show em what we're all about.
cloudbox pandora smothered here lies your fallen brother,
we met soldiers carryin out orders, not enough to protect
our borders money lust greed and power- your governments
askin for a showdown.

money lust greed and power x2

money lust greed and power x4

that's right- we fight- what are fightin for x3

what are we fightin for what are we fightin for what are
we fightin for now?

come on baby! put yr hands up what are you waitin for?

'when hopes and dreams have fallen, our heroes then come
callin, is that a false assumption, showdown won't solve
no problems' x3
