

## Tough Customer

Valient Thorr

I'll tell you somethin'  
the pain subsided when the medicine twisted  
you got that kind for the ailments you listed  
you know what i found to be of use to me?  
up here at the top of society?  
we can see all the problems from distance  
your dealers out sellin all of the good shit  
those who are out in the alleys at midnight  
are the tough ones who can put up a good fight  
and that's what i need to put it up in the air right  
now  
put it up like this  
TOUGH! x12  
oh ho ho baby im hot stinkin n sweet yeah  
oh my momma from my head to my feet yeah oh  
uh whos the best band momma you just betta take yoself  
a poll  
cause when we get started its outta control rocknroll  
alright oh yeah she's one tough baby  
oh alright oh yeah she's one tough momma  
are you messin with are yall messin with is he'a messin  
with one tough customer  
whos messin with is she'a messin with are we messin  
with one tough customer  
whos a messin, are you a messin, is she'a messin with  
one tough customer  
whos a messin, is she'a messin, are we messin with one  
tough customer OH  
my gaud,  
oh ho ho baby im hot stinkin n sweet yeah  
oh my momma from my head to my feet yeah oh  
uh whos the best band momma you just betta take yoself  
a poll

cause when we get started its outta control rocknroll  
alright oh yeah she's one tough baby  
oh alright oh yeah well i can feel it OH!  
are you messin with is he'a messin with are they messin  
with one tough customer  
whos messin with is she'a messin with are yall messin  
with one tough customer  
is he'a messin, i hear you messin, are they'a messin  
with one tough customer  
whos a messin, is she'a messin, are we messin with one  
tough customer OH  
muwahhhhhhhahahahahhahhaahhahahahaha  
alright x 7 (fading)  
now the people all across the globe, now we been here  
for a few years now  
and we walked across this land, and them rivers, and  
them streams, and them ravines,  
and we come to different places, different points in  
time where we leave our mark,  
and in those differer metropolises, and in those  
different townships,  
and in those different scenes that we come across, we  
need those people, and we need

those tough customers in the alleyways and we always  
look at em, and we say, are you on my team, come on all  
you gotta have is that positive i energy, i need you to  
give it to me like this  
you gotta make it make it make it make it make it make  
it make it alright  
im talkin bout all the people in north america in south  
america austrailia in the ukraine in europe  
in the uk GET UP get hyped  
you gotta make it make it make it make it make it make  
it make it alright  
im talkin about the north pole the south pole the  
equator the prime meridian  
everybody in the world under the sea and in the sky and  
the stars and the moon... and the sun  
GET HYPED  
you gotta make it make it make it make it make it make  
it make it alright all over the world  
you gotta make it let's make it let's make it let's  
make it  
let's make it make it make it make it make it make it  
make it alright COME ON  
let's make it let's make it make it make it  
we gotta make it make it make it make it make it make  
it make it alright come on  
let's make it make it make it make it make it make it  
OH!  
she can make it, he can make it, we can make it, they  
can make it.
