Campus

Vampire Weekend

I wake up My shoulder's cold I've got to leave here Before I go I pull my shirt on Walk out the door Drag my feet along the floor I pull my shirt on Walk out the door Drag my feet along the floor

Then I see you You're walking cross the campus Cruel professor Studying romances How am I supposed to pretend I never want to see you again? How am I supposed to pretend I never want to see you again?

Walk to class In front of ya Spilled kefir On your keffiyah You look inside And turn to the door Drag your feet along the floor

Then I see you You're walking cross the campus Cruel professor Studying romances How am I supposed to pretend I never want to see you again? How am I supposed to pretend I never want to see you again?

In the afternoon You're out on the stone and grass And I'm sleeping on the balcony After class
