

You torched a Saab like a pile of leaves
I'd gone to find some better wheels
Four, five meters running round the bend
When the government agents surround you again

If Diane Young won't change your mind,
Baby, baby, baby, baby right on time

Out of control but you're playing a role
Do you think you can go til the 18th hole
Or will you flip-flop the day of the championship?
Try to go it alone on your own for a bit

If Diane Young won't change your mind,
Baby, baby, baby, baby right on time

Baby baby baby baby ride on
Baby baby baby baby ride on
Baby baby baby it's a light on
Baby baby baby it's a lifetime
Baby baby baby baby ride on
Time, time, time, time, time
Baby baby baby baby ride on time

If Diane Young won't change your mind,
Baby, baby, baby, baby right on time

Irish and proud, baby, naturally
But you got the luck of a Kennedy
So grab the wheel, keep on holding it tight
'Til you're tunneling over into that goodnight

If Diane Young won't change your mind,
Baby, baby, baby, baby right on time

Baby baby baby baby ride on
Baby baby baby baby ride on
Baby baby baby it's a light on
Baby baby baby it's a lifetime
Baby baby baby baby ride on
Time, time, time, time, time
Baby baby baby baby ride on time

Nobody knows what the future holds on
Said it's bad enough just getting old
Live my life in self-defense
You know I love the past, 'cause I hate suspense...

If Diane Young won't change your mind,
Baby, baby, baby, baby right on time
