## Vampire Weekend

Every time I see you in the world, you always step to my girl

Back back way back I used to front like Angkor Wat  
Mechanicsburg Anchorage and Dar es Salaam  
While home from New York was champagne and disco tapes from L.A. slash  
h San Francisco  
But actually Oakland and not Alameda  
Your girl was in Berkeley with her Communist reader  
Mine was entombed within boombox and walkman  
I was a hoarder but girl that was back then

The gloves are off, the wisdom teeth are out  
What you on about?  
I feel it in my bones, I feel it in my bones  
I'm stronger now, I'm ready for the house  
Such a modest mouse, I can't do it alone, I can't do it alone  
Every time I see you in the world, you always step to my girl

Ancestors told me that their girl was better  
She's richer than Croesus, she's tougher than leather  
I just ignored all the tales of a past life  
Stale conversation deserves but a bread knife  
And punks who would laugh when they saw us together  
Well, they didn't know how to dress for the weather  
I can still see them there huddled on Astor  
Snow falling slow to the sound of the master

The gloves are off, the wisdom teeth are out  
What you on about?  
I feel it in my bones, I feel it in my bones  
I'm stronger now, I'm ready for the house  
Such a modest mouse, I can't do it alone, I can't do it alone

Wisdom's a gift, but you'd trade it for youth  
Age is an honor - it's still not the truth  
We saw the stars when they hid from the world  
You cursed the sun when it stepped to your girl  
Maybe she's gone and I can't resurrect her  
The truth is she doesn't need me to protect her  
We don't know the true death, the true way of all flesh  
Everyone's dying, but girl - you're not old yet

The gloves are off, the wisdom teeth are out  
What you on about?  
I feel it in my bones, I feel it in my bones  
I'm stronger now, I'm ready for the house  
Such a modest mouse, I can't do it alone, I can't do it alone  
(2x)

Everytime I see you in the world, you always step to my girl
