

Absolution

Vampires on Tomato Juice

watch me expose the unseen
watch me expose the unreal
watch me expose what it means
nothing is just what it seems

hear me repeat this darn words
hear me repeat the absurd
hear me i cry to the world
screaming but i feel unheard

digging thru this absolution

i'm not alive - but i'm on my way - but i'm on my way
to find and to strive - and to tear away - and to tear away

feeling the cunt on my skin
feeling the wrath of my sins
feeling the rise of my twin
let the disorder begin

hear me repeat this darn words
hear me repeat the absurd
hear me i cry to the world
screaming but i feel unheard

digging thru this absolution

i'm not alive - but i'm on my way - but i'm on my way
to find and to strive - and to tear away - and to tear away

i'm not alive - but i'm on my way - but i'm on my way
to find and to strive - and to tear away - and to tear away

watch me expose the unseen
now watch me - now watch me expose what is unreal

watch me expose the unseen
now watch me - now watch me expose what is unreal

forsaken
illusions
were taken
so far away

remember
your childhood
the warm
tits OF your mother
