

Futanari (Shemale Party)

Vampires on Tomato Juice

I'm so afraid of what you are - it's so bizarre...

I see the cocks - they are everywhere!

I see the cocks - they are everywhere!

I see the cocks - they are everywhere!

I see the cocks!

Lockers, youporn, kitchen, protestant church,

Pre-school, garden, starwars, chancellors...

Infiltrate me!

I just feel surrounded - they surround me with their penises,

Acting like a man, but the genetics fuck you in the end,

Mary, Joana, Jules, Hannah (I can feel your dick!)

I see cocks surrounding me

Erectile disfunction, things I just don't wanna see.

Lockers (youporn), kitchen (protestant church),

Pre-school (garden), starwars (chancellors)...

Cocks - they are huntin' me!

Dicks - they are scarin' me!

Futanari - All around me,

Futanari - Shemale party...

Shemale party...

Nice tits... Oh my God! There's a dick...

Jesus Christ... You fuckin' whore... Let's fuck...

Let me shit on your dick...
