### Vampires on Tomato Juice

I'm in your brain.  
I'm in your head.  
I'm in your brain.  
I'm in your head.  
I'm in your brain.  
I'm in your head.

I was supposed to be yours,  
You brushed me off,  
On the velour,  
Not up to snuff.

Didn't recognize,  
Didn't pay the price,  
No dignity.  
Faked purity.

When you got my dick in your mouth!

Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
I'm in your head, I'm in your head, I'm in your head, I'm in your head, I'm  
in your head!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
I'm in your brain, I'm in your brain, I'm in your brain, I'm in your brain,  
I'm in your brain!

You were the thorn in my eyes,  
I let you down  
to wait for your cries.  
You lost the crown.

Didn't recognize.  
Didn't pay the price.  
Maturity,  
Now I am free.

When you got my dick your mouth!

Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
I'm in your head, I'm in your head, I'm in your head, I'm in your head, I'm  
in your head!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
I'm in your brain, I'm in your brain, I'm in your brain, I'm in your brain,  
I'm in your brain!

You thought I'm gone (You thought I'm gone)  
You thought I'm gone (You thought I'm gone)  
You thought I think you think you thought I am  
A dick in your mouth  
You thought I think you think...  
Don't you see your bitchiness?

I'm in your...  
Bitchiness, bitchiness!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-  
bitchiness, bitchiness! (I'm in your head, I'm in your head)  
I'm in your head, I'm in your head, I'm in your head, I'm in your head, I'm  
in your head!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-bitchiness, bitchiness!  
Bitchiness!  
Bitchi-bitchi-bitchi-bitchi-  
bitchiness, bitchiness! (I'm in your head, I'm in your head!)  
I'm in your brain, I'm in your brain, I'm in your brain!
