

## My Friend

### Vampires on Tomato Juice

My friend knows everything, my friend knows everything  
My friend knows everything and he's like heroin  
My friend knows everyone, my friend knows everyone  
My friend knows everyone, my friend has any porn

He fucks with me, he fucks with me  
He sets me free, he sets me free  
He sells to me, he sells to me  
a western australia corral pea

My friend knows fantasies, my friend knows fantasies  
My friend knows fantasies, my friend says fuck me please  
My friend is always there, my friend is always there  
My friend is always there, let's have a love affair

He fucks with me, he fucks with me  
He sets me free, he sets me free  
He sells to me, he sells to me  
some nice brazilian potato tree

Yes, my friend! You are the central of our lives  
So don't you dare and let us fall  
You are the soul of our empty universe  
We revolve you when you call

Please, don't ever let us go  
My friend - don't let us go

Don't you ever let us go now - don't you ever  
Don't you ever let us go now - don't you ever  
Don't you let go

My friend knows everything, my friend knows everything  
My friend knows everything, he's like fucking heroin (4x)

He fucks with me, he fucks with me  
He sets me free, he sets me free  
He sells to me, he sells to me
