

Holding Out for a Hero

Van Canto

Where have all the good men gone and where are all the gods?
Where's the street wise Hercules to fight the rising odds?
Isn't there a white knight upon a fiery steed?
Late at night I toss and I turn and I dream of what I need

We need a hero
We're holding out for a hero till the end of the night
He's gotta be strong and he's gotta be fast
And he's gotta be fresh from the fight
We need a hero
We're holding out for a hero till the morning light
He's gotta be sure and it's gotta be soon
And he's gotta be larger than life
Larger than life

Somewhere after midnight
In my wildest fantasies
Somewhere just beyond my reach
There's someone reaching back for me
Racing on the thunder and rising with the heat
It's gonna take a superman to sweep me off my feet

We need a hero
We're holding out for a hero till the end of the night
He's gotta be strong and he's gotta be fast
And he's gotta be fresh from the fight
We need a hero
We're holding out for a hero till the morning light
He's gotta be sure and it's gotta be soon
And he's gotta be larger than life
Larger than life

Up where the mountains meet the heavens above
Out where the lightning splits the sea
I can swear that there's someone somewhere watching me
Through the wind and the chill and the rain
And the storm and the flood
I can feel his approach like a fire in my blood

We need a hero
We're holding out for a hero till the end of the night
He's gotta be strong and he's gotta be fast
And he's gotta be fresh from the fight
We need a hero
We're holding out for a hero till the morning light
He's gotta be sure and it's gotta be soon
And he's gotta be larger than life
Larger than life
