

# Steel Breaker

Van Canto

Listen to what I say.

I am on a hunt tonight,  
cool and anticipating.  
Looking out if someone's there for me.  
A trip to my real wild side.  
Another endless ride  
from here to everything I'll ever be.

I already shoot as you still load.  
Dead on target, ready to explode.

I pull the trigger, I'm the Steel Breaker.  
Out of my way.  
Steel Breaker.  
Night into day.  
Steel Breaker.  
Listen to what I say.

Another night, I am the  
Steel Breaker.  
On the run  
Steel Breaker.  
Now let it come.  
Steel Breaker.  
Shut up, bring it on.

Another night became my friend.  
Wild and alive I am,  
hungry for some more, don't let it end.  
My reputation preceding me  
and while staring back at me  
I overtake at supersonic speed.

I already shoot as you still load.  
Dead on target, ready to explode.

I pull the trigger, I'm the Steel Breaker.  
Out of my way.  
Steel Breaker.  
Night into day.  
Steel Breaker.  
Listen to what I say.

Another night, I am the  
Steel Breaker.  
On the run  
Steel Breaker.  
Yeah, now let it come.  
Steel Breaker.  
Shut up, bring it on.

They are backbiting me.  
Two out of seven is what they have for me.  
Still they didn't write a single song,  
not a single one.  
Voices all around.

I love to hear the crowd.  
40 000, 50 000, one for all.  
All for one.

Tales are told, worlds unfold.  
He's back in town with balls of seven tons.  
He is the Steel Breaker.

Steel Breaker.  
Out of my way.  
Steel Breaker.  
Turning night into day.  
Steel Breaker.  
Listen to what I say.

Another night, I am the  
Steel Breaker.  
On the run  
Steel Breaker.  
Let it come.  
Steel Breaker.  
Shut up, bring it on.

I pull the trigger, I am the  
Steel Breaker  
Steel Breaker  
Steel Breaker  
Listen to what I say.

Another night, I am the  
Steel Breaker.  
On the run  
Steel Breaker.  
Now let it come.  
Steel Breaker.  
Shut up, bring it on.

I am the Steel Breaker.
