

Our lowly liquor  
Lobby longs to back a road  
To old time songs

Bible belts worn from here  
And after all were  
Born in the know

So rally round awhile  
Jim Crow for I thought  
I'd like to show  
They can recall  
The Alamo way down  
In old Mexico

I left Academia  
Amid sixty-two  
Was it sixty-one scholar  
Was cooled from the U  
Doubtless more on sore  
Wing than prayer  
I up and just withdrew  
To the wander round there
