

# Can't Stop Lovin' You

Van Halen

There's a time and place for everything, for everyone  
we can push with all our might, but nothing's gonna come  
oh no, nothing's gonna change  
and if I asked you not to try  
oh could you let it be

I wanna hold you and say  
we can't throw this all away  
tell me you won't go, you won't go  
do you have to hear me say

I can't stop lovin' you  
and no matter what you say or do  
you know my heart is true, oh  
I can't stop lovin' you

You can change your friends, your place in life  
you can change your mind  
we can change the things we say  
and do it anytime  
oh no, but I think you'll find  
that when you look inside your heart  
oh baby, I'll be there

Hold on  
I'm holding on  
baby, just come on, come on, come on  
I just wanna hear you say

I can't stop lovin' you  
and no matter what you say or do  
you know my heart is true, oh  
I can't stop lovin' you

Oh, I'm twisted and tied  
and all I can remember  
is how hard we tried  
only to surrender

And when it's over  
I know how it's gonna be  
and true love will never die  
no, not fade away

I can't stop lovin' you  
and no matter what you say or do  
you know my heart is true, oh  
I can't stop lovin' you

And I know what I got to do  
hey ray, what you said is true  
I can't stop lovin' you, oh  
oh, I can't stop lovin' you
