Dreams

World turns black and white Pictures in an empty room Your love starts fallin' down Better change your tune Yeah, you reach for the golden ring Reach for the sky Baby, just spread your wings

We'll get higher and higher Straight up we'll climb We'll get higher and higher Leave it all behind

Run, run, run away Like a train runnin' off the track Got the truth bein' left behind Falls between the cracks Standin' on broken dreams Never losin' sight, ah Well just spread your wings

We'll get higher and higher Straight up we'll climb We'll get higher and higher Leave it all behind

So baby dry your eyes Save all the tears you've cried Oh, that's what dreams are made of 'Cause we belong in a world that must be strong Oh, that's what dreams are made of

(solo)

Yeah, we'll get higher and higher Straight up we'll climb Higher and higher Leave it all behind Oh, we'll get higher and higher Who knows what we'll find?

So baby dry your eyes Save all the tears you've cried Oh, that's what dreams are made of Oh baby, we belong in a world that must be strong Oh, that's what dreams are made of

(solo)

And in the end our dreams we will depend 'Cause that's what love is made of
