

## From Afar

Van Halen

If I cannot see you from afar  
Look into your eyes, that hint of depth  
Hidden inside

If I cannot hear you from afar  
Whisper in my ear, rest assured that  
You are near

And I know not what it's like  
The aforementioned  
For the distance between us  
As are the stars, I only have you  
In my imagination  
In my imagination  
Just to love you  
From afar

If I cannot kiss you from afar  
Press against your lips, taste the sweetness  
Of your breath

If I cannot touch you from afar  
Hold you in my arms, keep you warm and  
Safe from harm

Though our circumstances  
Cause separation  
In the absence, there's a presence in my heart  
I will surrender, I'll surrender to my  
Quiet contemplation  
My quiet contemplation  
I'll just, I'll just love you  
From afar

There must be a better way (ooo-oooh)  
A better way (ooo-oooh) of, of passing the time  
I can't seem to get her out  
Out of my  
Get her out of my mind

I don't know what it's like  
The aforementioned  
For the distance between us  
As are the stars, I only have you  
In my imagination  
In my imagination  
In my imagination  
In my imagination

Just to love you  
Just to love you  
Just to love you  
Yeah!
