

# House of Pain

Van Halen

Say you're gonna leave me  
'Cause I only tie you up  
I always loved you tender  
But you only like it rough  
Woman bound for glory  
Why you leavin' me again?

Gonna pack her bags and leave  
This house of pain

Heartache's all around me  
How many times we've tried  
Said she tried to leave me  
But her hands were always tied  
If I had it all to do  
I'd keep it just the same

Gonna fix it so you never leave  
This house of pain

Uh-uh. Uh-uh Uh-uh-uh-uh-uh-uh-uh  
Uh-uh. Uh-uh Uh-uh-uh-uh-uh-uh-uh  
Uh-uh. Uh-uh. Uh-uh-uh-Wow!
