

# I'll Wait

Van Halen

You've got me captured  
I'm under your spell  
I guess I'll never learn  
I have your picture  
Yes I know it well  
Another page is turned

Are you for real?  
It's so hard to tell  
From just a magazine  
Yeah, you just smile and the picture sells  
Look what that does to me

I'll wait  
'Til your love comes down  
I'm coming straight for your heart  
No way  
You can stop me now  
As fine as you are

I wrote a letter  
And told her these words  
That meant a lot to me  
I never sent it  
She wouldn't have heard  
Her eyes don't follow me

And while she watches  
I can never be free  
Such good photography

I'll wait  
'Til your love comes down  
I'm coming straight for your heart  
No way  
You can stop me now  
As fine as you are

You can't imagine  
What your image means  
The pages come alive  
Your magic free  
To everyone who reads  
Heartbreakin' motor drive

Are you for real?  
It's so hard to tell  
From just a magazine  
Yeah, you just smile and the picture sells  
Look what that does to me

I'll wait  
'Til your love comes down  
I'm coming straight for your heart  
No way  
You can stop me now  
As fine as you are

I'll wait  
'Til your love comes down  
I'm coming straight for your heart  
No way  
You can stop me now  
As fine as you are

I'll wait
