

# In 'n' Out

Van Halen

Yeah, I been in debt from conception  
I pay for the rest of your life  
As long as I remember, bills have looked me in the eye

You can have it now but ya gotta pay for it later. Oh!  
Work me out, the payment's cleared  
Now you're workin' for the man. Yeah

They gotcha goin' in. They gotcha comin' out  
Same amount, woo! In 'n out

Ain't no way 'round the system  
Money make this world go round  
All the way, they got you down

Stay and add it up or throw yourself out a window. Oh!  
Might cost you less to stick around  
One more payment. (Will) lay you down underground

Well, they gotcha comin' in, they gotcha goin' out  
Same amount, woo! In 'n out  
Oh!

Uh uh uhuh yeah  
Uh uh uhuh yeah  
Uh uh uhuh yeah  
Woo, come on!

Hey, all depends how ya see it  
It's a burn, or an opportunity  
One thing for certain, ya get nothin' free  
Uh!

I never met a man doesn't owe somebody somethin'. No  
No way to get free 'n clear  
Only deeper year after year  
Oh, yeah

When they gotcha comin' in, when they gotcha goin' out  
Gotcha comin' in for the same amount, goin' out!

Uh uh uhuh yeah. In n' out  
Uh uh uhuh yeah. In n' out  
Uh uh uhuh yeah. In n' out  
Uh uh uhuh yeah. In n' out

Well, they gotcha goin' in, they gotcha comin' out  
Same amount, in n' out

Uh uh uhuh. In n' out  
Uh uh uhuh. In n' out  
Uh uh uhuh. In n' out  
Uh uh uhuh. In n' out

Uh uh uhuh. In n' out  
Uh uh uhuh. In n' out  
Uh uh uhuh. In n' out

Uh uh uhuh. In n' out

Oh! Gotcha comin' in for the same amount, goin' out  
In n' out

Uh uh uhuh. In n' out. Woo!

Uh uh uhuh. In n' out. Yeah

Uh uh uhuh. In n' out

Uh uh uhuh. In n' out. Yeah

They gotcha comin' in, they gotcha goin' out  
Same amount, woo!
