Van Halen

I got Elvis on my elbow  
When I flex, Elvis talks  
I got hula girls on the back of my leg  
And she hulas when I walk

Speaking cherry red  
Screaming 'lectric green  
Purple mountain's majesty  
Really talk to me  
Talk to me, baby

Swap meet Sally  
Tramp stamp tat  
Mousewife to momshell  
In the time it took to get that new tattoo  
Tattoo, tattoo

(Tattoo, tattoo)  
Show me your dragon magic  
(Tattoo, tattoo)  
So autobiographic

Best believe that needle hurts you  
Best to see these true colors  
Than to follow one of your false virtues

Little secret to make you think:  
Why is the crazy stuff we never say poetry in ink?  
Speaking dayglo red, explodo pink  
Purple mountain's majesty  
Show me you, I'll show you me

Swap meet Sally  
Tramp stamp tat  
Mousewife to momshell  
In the time it took to get that new tattoo  
Tattoo, tattoo

Woo!  
(Tattoo, tattoo)  
Sexy dragon magic  
(Tattoo, tattoo)  
So very autobiographic  
(Tattoo, tattoo)  
Got a hold on me  
(Tattoo, tattoo)  
Put a spell on me  
Hey, hey, hey

Uncle Danny had a coal tattoo  
He fought for the Union, some of us still do  
On my shoulder is the number of the chapter he was in  
That number is forever like the struggle here to win

(Everybody!)  
Swap meet Sally
