

Why Can't This Be Love

Van Halen

Oh, here it comes that funny feelin' again
Winding me up inside every time we touch
Hey, I don't know, just tell me where to begin
Cause I never ever felt so much

No, I can't recall any love at all, baby this blows 'em all away

It's got what it takes, so tell me why can't this be love
Straight from the heart, oh, tell me why can't this be love

I tell myself, hey, only fools push in
An' only time will tell, if we stand the test of time
All I know, you've got to run to win
An' I'll be damned if I'll get hung up on the line

No, I can't recall anything at all, baby this blows 'em all away

It's got what it takes ...

It's got what it takes, so tell me why can't this be love
Straight from the heart, oh, tell me why can't this be love
