

# Ain't Nothin' You Can Do

Van Morrison

When you got a headache  
An you try to soothe the pain  
Go right back to sleep  
And you'll feel all right again

When ya got a backache  
Little rubbin' will see you through  
When you got a heartache  
There ain't nothin' you can do

There ain't nothin' you can do  
There ain't nothin' you can do

When you got a heartache  
There ain't nothin' you can do

A man can't break a stone  
So he tried another lick  
Iceman can't break his ice, Lord  
So he tries another pick

An electric lights go out  
Candle light will see you through  
When you got a heartache  
There ain't nothin' you can do

There ain't nothin' you can do  
There ain't nothin' you can do  
When you got a heartache  
There ain't nothin' you can do  
Hey!

(Instrumental & guitar solo)

Man can't break a stone  
So he tried another lick  
Iceman can't break his ice, Lord  
So he tried another pick

'Lectric lights go out  
A candle light will see you through  
When ya got a heartache  
There ain't nothin' you can do

There ain't nothin' you can do, Lord  
There ain't nothin' you can do, hey!  
When you got a heartache  
There ain't nothin' you can do

Ev'ry time I think about it  
Ev'ry time I think about it  
When ya got a heartache  
There ain't nothin' you can do

Ev'ry time I think about it  
Ev'ry time I think about it
