

## Bright Side of the Road

Van Morrison

From the dark end of the street  
To the bright side of the road  
We'll be lovers once again on the  
Bright side of the road

Little darlin', come with me  
Won't you help me share my load  
From the dark end of the street  
To the bright side of the road

Into this life we're born  
Baby sometimes, bay sometimes we don't know why  
And time seems to go by so fast  
In the twinkling of an eye

Let's enjoy it while we can  
Won't you help me sing my song  
From the dark end of the street  
To the bright side of the road

From the dark end of the street  
To the bright side of the road  
We'll be lovers once again  
On the bright side of the road  
We'll be lovers once again  
On the bright side of the road  
We'll be lovers once again  
On the bright side of the road
