## **Bright Side of the Road**

## **Van Morrison**

From the dark end of the street To the bright side of the road We'll be lovers once again on the Bright side of the road

Little darlin', come with me Won't you help me share my load From the dark end of the street To the bright side of the road

Into this life we're born

Baby sometimes, bay sometimes we don't know why

And time seems to go by so fast

In the twinkling of an eye

Let's enjoy it while we can Won't you help me sing my song From the dark end of the street To the bright side of the road

From the dark end of the street
To the bright side of the road
We'll be lovers once again
On the bright side of the road
We'll be lovers once again
On the bright side of the road
We'll be lovers once again
On the bright side of the road
