By His Grace

Van Morrison

You've got to try, for the kingdom You've got to try, for the kingdom On high, you've got to try, By His grace, by His grace

You've got to live your religion Deep inside, when you try For the kingdom on high By His grace, by His grace

Open your mind to the wisdom When you try for the kingdom, on high By His grace, by His grace

Open your heart to the wisdom In your mind when you try For the kingdom on high By His grace, by His grace

One day at a time, you got to try Open your eye, it will come By and by, when you try By His grace, by His grace By His grace, by His grace.
