Days Like This

Van Morrison

When it's not always raining there'll be days like this When there's no one complaining there'll be days like this When everything falls into place like the flick of a switch Well my mama told me there'll be days like this

When you don't need to worry there'll be days like this When no one's in a hurry there'll be days like this When you don't get betrayed by that old Judas kiss Oh my mama told me there'll be days like this

When you don't need an answer there'll be days like this When you don't meet a chancer there'll be days like this When all the parts of the puzzle start to look like they fit Then I must remember there'll be days like this

When everyone is up front and they're not playing tricks When you don't have no freeloaders out to get their kicks When it's nobody's business the way that you wanna live I just have to remember there'll be days like this

When no one steps on my dreams there'll be days like this When people understand what I mean there'll be days like this When you ring out the changes of how everything is Well my mama told me there'll be days like this

Oh my mama told me
There'll be days like this
Oh my mama told me
There'll be days like this
Oh my mama told me
There'll be days like this
Oh my mama told me
