

Early in the Morning

Van Morrison

Early in the morning and I cant get right
Had a little date with my baby last night
Now its early in the morning (early in the morning)
Well its early in the morning (early in the morning)
Now its early in the morning
And I aint got nothing but the blues

Went to all the places where we used to go
Went to your house but you dont live there no more
Now its early in the morning (early in the morning)
Well its early in the morning (early in the morning)
Early in the morning
And I aint got nothing but the blues

Went to your friends house but she was out
Knock on your fathers door and he began to shout get out there
boy
Early in the morning (early in the morning)
Early in the morning (early in the morning)
Early in the morning
And I aint got nothing but the blues

Went to doogie chain to get something to eat
Waiter looked at me and said you sure look beat
Now its early in the morning (early in the morning)
Early in the morning (early in the morning)
Well its early in the morning
And I aint got nothing but the blues
Well its early in the morning
And I aint got nothing but the blues
Well its early in the morning
And I aint got nothing but the blues
