## Enlightenment

Van Morrison

Chop that wood Carry water What's the sound of one hand clapping Enlightenment, don't know what it is

Every second, every minute It keeps changing to something different Enlightenment, don't know what it is Enlightenment, don't know what it is It says it's non attachment Non attachment. Non attachment

I'm in the here and now, and I'm meditating And still I'm suffering but that's my problem Enlightenment, don't know what it is

Wake up

Enlightenment says the world is nothing Nothing but a dream, everything's an illusion And nothing is real

Good or bad, baby You can change it anyway you want You can rearrange it Enlightenment, don't know what it is Chop that wood and carry water What's the sound of one hand clapping Enlightenment, don't you know what it is

All around baby, you can see You're making your own reality everyday because Enlightenment, don't know what it is

One more time

Enlightenment. Don't you know what it is It's up to you Enlightenment. Don't know what it is It's up to you, everyday Enlightenment, don't know what it is It's always up to you Enlightenment, don't know what it is It's up to you, the way you think
