

# I'm Confessin'

Van Morrison

I'm confessin' that I love you  
Tell me do you love me too?  
I'm confessin' that I need you  
Honest, honest I do, I do, oh yeah

In your eyes, your eyes, your eyes, your eyes, your eyes, your  
eyes, your eyes  
I read such strange things  
But your lips deny that they are true  
Baby will your answer really change things?  
Making me blue

I'm afraid some day you're gonna leave me  
Saying, why can't we still be friends?  
If you go, you know your gonna grieve me  
Cause all my life on you depends

I'm guessing, guessing that you love me  
Dreaming dreams, dreaming dreams, dreaming, dreaming. dreaming  
dreams of you in vain  
Woohh, I'm confessin' that I love you  
Over, over, over, over and over again

Woohh I'm afraid some day, some day you're going to leave me  
Saying baby can we still be friends, old friends now  
If you go, if you go you know your gonna grieve me  
Cause all my life on you depends

I'm guessing that you love me, yeah  
Dreaming, dreaming, dreaming, dreaming, dreaming, dreaming drea  
ms of you in vain  
Oh, I'm confessin' that I love you  
Over and over and over and over and over and over again  
I'm confessin' that I love you over and over and over  
All over again, oh yeah
