

In the Afternoon

Van Morrison

The light is fading in the afternoon
Won't you see me baby in my room
There's something that I want to say to you
Tell me baby am I getting through
Want to make, want to make, want to make, want to make
Love to you
Want to make, want to make, want to make, want to make
Love to you
Want to make, want to make, want to make, want to make
Love to you
In the afternoon, in the afternoon

The light is fading from across the way
I see you coming baby every day
I see you running, running from across the field
And I want to know if you can feel the same as me
Cause I want to make, want to make, want to make, want to make
Love to you
Want to make, want to make, want to make, want to make
Love to you
Want to make, want to make, want to make, want to make
Love to you
In the afternoon, in the afternoon

The wind is howling baby outside the shack
Train whistle blowin' from across the track
Get on my wavelength, and you set me free
I just want to be everything you want me to be
Want to make, want to make, want to make, want to make
Love to you
Want to make, want to make, want to make, want to make
Love to you
Want to make, want to make, want to make, want to make
Love to you
In the afternoon, in the afternoon

The moon is sinking way across the trees
I can see my baby but she can't see me
I've got a longing deep within my soul
I have to take it there and let it roll
Want to make, want to make, want to make, want to make
Love to you
Want to make, want to make, want to make, want to make
Love to you
Want to make, want to make, want to make, want to make
Love to you
In the afternoon, make love in the afternoon
Make love in the afternoon

Let it roll
You got me reelin' and a-rockin' and rollin' again

Let it roll
You got me reelin' and a-rockin' and rollin' and rollin' again
Oh, I'm rollin' and tumblin', and I'm rollin' and tumblin'
And I'm talkin' all outta my mind baby

Let it roll
You got me reelin' and a-rockin'
And I'm talkin' all outta my mind

I'm talkin' all outta my mind
Make love in the afternoon
Make love in the afternoon
Make love in the afternoon
