In the Days Before Rock 'N' Roll

Van Morrison

Justin, gentler than a man
I am down on my knees
At the wireless knobs
I am down on my knees
At those wireless knobs
Telefunken, Telefunken
And I'm searching for
Luxembourg, Luxembourg,
Athlone, Budapest, AFN,
Hilversum, Helvetia
In the days before rock 'n' roll

In the days before rock 'n' roll In the days before rock 'n' roll

When we let, then we bet On Lester Piggott when we met We let the goldfish go

In the days before rock 'n' roll Fats did not come in Without those wireless knobs Fats did not come in Without those wireless knobs Elvis did not come in Without those wireless knobs Nor Fats, nor Elvis Nor Sonny, nor Lightning Nor Muddy, nor John Lee

In the days before rock 'n' roll In the days before rock 'n' roll

When we let and we bet
On Lester Piggott 10/1
And we let the goldfish go
Down the stream
Before rock 'n' roll
We went over the wavebands
We'd get Luxembourg,
Luxembourg and Athlone

AFM stars of Jazz Come in, come in, come in, Ray Charles Come in, the high priest

In the days before rock 'n' roll In the days before rock 'n' roll

When we let and we bet
On Lester Piggott 10 to 1
And we let the goldfish go
And then the killer came along
The killer, Jerry Lee Lewis
A whole lotta shakin' goin' on,
Great balls of fire
Little Richard
