

## Look Behind the Hill

Van Morrison

When your troubles are a burden  
let your mind be still  
Wait until the clouds start moving  
way beyond the hill

Can't you see the sky is bluer  
up upon the ridge  
Just don't let the green grass fool you,  
look beyond the hill

Sometime it don't rhyme,  
seem to have your fill  
Got to get your house in order  
in line with your will

Tomorrow is another day  
to go in for the kill  
You can have a change of heart now  
Look beyond the hill

You've got to look beyond the hill  
You've got to look beyond the hill
