

Lover's Prayer

Van Morrison

Lord, Lord, Lord, Lord, Lord
Lord, Lord, Lord, Lord, Lord
Lord, Lord, Lord, Lord, Lord

Just want to be with my love tonight
I don't want no jive artists calling me on the telephone
Don't want to watch the Carson show all alone
I just want to lay back, take my rest
With the one I love's head resting on my chest

Lord, Lord, Lord, Lord, Lord
Lord, Lord, Lord, Lord, Lord
Lord, Lord, Lord, Lord, Lord

Just want to be with my love tonight
And I don't want my best friends even coming round
Cause if they do I might put 'em down
Carson's over and the lights way down low
And all I got, I got a heart full of soul

Lord, Lord, Lord, Lord, Lord
I said, Lord, Lord, Lord, Lord, Lord
I said, Lord, Lord, Lord, Lord, Lord

Just want to be with my love tonight
And it's a lover's prayer, oh yes it is
Takes a little time, takes a little care, yeah, yeah, yeah
And when it gets way on in the midnight hour
I just want to play my guitar
I just want to see you smile, touch your face
Be with you in my own place

Lord, Lord, Lord, Lord, Lord
I said, Lord, Lord, Lord, Lord, Lord
Lord, Lord, Lord, Lord, Lord

Just want to be with my love tonight
Just want to be with my love tonight
Just want to be with my love tonight
