

# Moondance

Van Morrison

Well, it's a marvelous night for a moondance  
With the stars up above in your eyes  
A fantabulous night to make romance  
'Neath the cover of October skies

And all the leaves on the trees are fallin'  
To the sound of the breezes that blow  
An' I'm trying to please to the callin'  
Of your heart strings that play soft and low

And all the nights magic seems to whisper and hush  
And all the soft moonlight seems to shine in your blush  
Can I just have one more moondance with you, my love?  
Can I just make some more romance with you, my love?

Well, I wanna make love to you tonight  
I can't wait 'til the morning has come  
And I know now the time is just right  
And straight in to my arms you will run

And when you come, my heart will be waiting  
To make sure that you're never alone  
There and then, all my dreams will come true, dear  
There and then, I will make you my own

And every time I touch you, you just tremble inside  
And I know how much you want me that you can't hide  
Can I just have one more moondance with you, my love?  
Can I just make some more romance with you, my love?

Well, it's a marvelous night for a moondance  
With the stars up above in your eyes  
A fantabulous night to make romance  
'Neath the cover of October skies

And all the leaves on the trees are falling  
To the sound of the breezes that blow  
And I'm trying to please to the calling  
Of your heart strings that play soft and low

And all the nights magic seems to whisper and hush  
And all the soft moonlight seems to shine in your blush  
Can I just have one more moondance with you, my love?  
Can I just make some more romance with you, my love?

One more moon dance with you  
In the moon light, on a magic night  
All the moon light, on a magic night  
Can I just have one more moondance with you, my love?
