Moondance

Van Morrison

Well, it's a marvelous night for a moondance With the stars up above in your eyes A fantabulous night to make romance 'Neath the cover of October skies

And all the leaves on the trees are fallin'
To the sound of the breezes that blow
An' I'm trying to please to the callin'
Of your heart strings that play soft and low

And all the nights magic seems to whisper and hush And all the soft moonlight seems to shine in your blush Can I just have one more moondance with you, my love? Can I just make some more romance with you, my love?

Well, I wanna make love to you tonight I can't wait 'til the morning has come And I know now the time is just right And straight in to my arms you will run

And when you come, my heart will be waiting To make sure that you're never alone There and then, all my dreams will come true, dear There and then, I will make you my own

And every time I touch you, you just tremble inside And I know how much you want me that you can't hide Can I just have one more moondance with you, my love? Can I just make some more romance with you, my love?

Well, it's a marvelous night for a moondance With the stars up above in your eyes A fantabulous night to make romance 'Neath the cover of October skies

And all the leaves on the trees are falling To the sound of the breezes that blow And I'm trying to please to the calling Of your heart strings that play soft and low

And all the nights magic seems to whisper and hush And all the soft moonlight seems to shine in your blush Can I just have one more moondance with you, my love? Can I just make some more romance with you, my love?

One more moon dance with you
In the moon light, on a magic night
All the moon light, on a magic night
Can I just have one more moondance with you, my love?
