

# No Trouble Livin'

Van Morrison

Don't talk to me 'bout life problems or  
How you wish that things could be  
Cause I don't have no trouble livin'  
It's jus' dyin that bothers me

Don't offer me no sad stories or  
Tell me that you're all at sea  
Cause I don't have no trouble livin'  
It's jus' dyin that bothers me

You doin' great  
You gettin' straight  
You get your call  
That's all

So don't tell me your misgivings  
Or not to be or not to be  
Cause I don't have no trouble livin'  
It's jus' dyin that bothers me

You doin' fine  
You sippin' wine  
You feel a pain  
Last train

So don't tell me your misgivings  
Or blame it on the referee  
Cause I don't have no trouble livin'  
It's jus' dyin that bothers me
