## **Queen of the Slipstream**

Van Morrison

You're the Queen of the slipstream With eyes that shine You have crossed many waters to be here You have drank of the fountain of innocence And experienced the long cold wintry years.

There's a dream where the contents are visible Where the poetic champions compose Will you breathe not a word of this secrecy, and Will you still be my special rose?

Goin' away far across the sea But I'll be back for you Tell you everything I know Baby everything is true

Will the blush still remain On your cheeks my love In the light always seen In your head? Gold and sliver they placed At your feet my dear But I know you chose me. Instead

Goin' away far across the sea But I'll be back for you Tell you everything I know Baby everything is true

You're the Queen of the slipstream I love you so You have crossed many waters to be here And you drink at the fountains of innocence And experienced, you know very well
