

## Sack O' Woe

Van Morrison

Always screaming cause I'm suffering so  
Life's done never such a terrible blow  
The bag I'm in is just a sack o'woe  
Misery company and I'm feeling low  
Trouble follows me wherever I go  
The bag I'm in is just a sack o'woe

Trouble one thing I understand  
Seems to be a part of me  
Misery and me go hand in hand  
Never ever let me be  
Sure as I'm born one thing I know  
The bag I'm in is just a sack o'woe

Always screaming cause I'm suffering so  
Life's done never such a terrible blow  
The bag I'm in is just a sack o'woe
